

# *A Local Prayer Vigil in Support of 40 Days for Life...*

## **Billings 40 Days of Prayer for Life** *Sept. 24 - Nov. 1, 2025*

### *Join Billings prayer warriors this fall in praying for an end to abortion!*

You can **help mothers & children** by signing up to pray outside Planned Parenthood, where **chemical abortions** are initiated.

With most abortions these days taking place as deadly chemical (“medical”) abortions rather than surgical procedures, it’s more important than ever to **pray for a change of heart** for those who are being deceived into ending their child’s life in this way (*which is potentially more dangerous for the woman than surgical abortions are!*) and **being there** outside the main abortion pill dispensary in Billings (*Planned Parenthood*) **to offer women hope and healing** and **educate them about the possibility of reversal** for those who might change their minds after taking the first pill (see [AbortionPillReversal.com](http://AbortionPillReversal.com)).
