

A Local Prayer Vigil in Support of 40 Days for Life...

Billings 40 Days of Prayer for Life *Sept. 23 - Oct. 31, 2026*

Join Billings prayer warriors this fall in praying for an end to abortion!

You can help mothers & children by signing up to pray outside Planned Parenthood, where chemical abortions are initiated and surgical abortions are referred for.

With most abortions these days taking place as **deadly chemical ("medication") abortions** (pills), it's more important than ever

to pray for a change of heart for those who are considering ending their child's life in this way (which is potentially more dangerous for the woman than surgical abortions) and to be physically present outside the primary abortion pill dispensary in Billings to offer women hope and healing and educate them about the possibility of reversal for those who might want to change their minds after taking the first abortion pill.
